

# ZENTANGLE CLASS

WITH ROMI MARKS

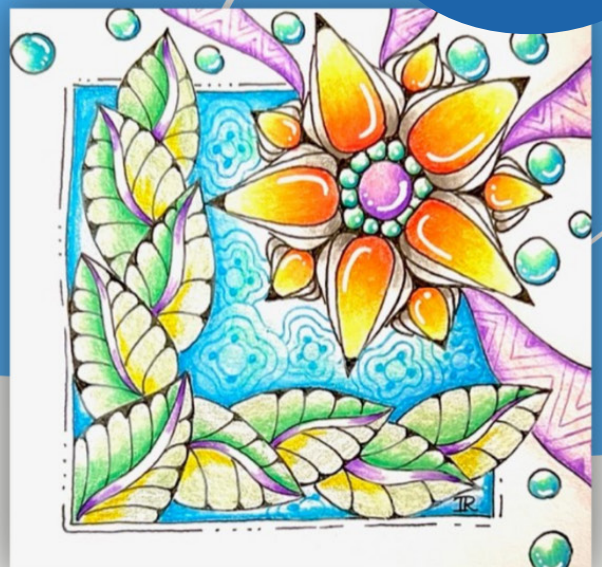

Saturday, March 18 at 10 a.m.

Zentangle is a fun, relaxing and easy-to-learn art form that uses repetitive patterns to create beautiful images while improving focus and creativity. This new art form can be enjoyed by anyone, from beginners to professionals, providing artistic satisfaction and releasing stress and anxiety.

A materials kit will need to be picked up from the library location of your choice before the class. Colored pencils are not included in the kit.

Registration required. Register at <https://nplzentangle.eventbrite.com>

Virtual  
Event
